The proposed conservatory, by virtue of its scale, is considered to constitute appropriate development in this Green Belt location. Application Reference: 09/0744/FULL
Site Address: THE OAKS PADDOCK, STAKENBRIDGE LANE, CHURCHILL KIDDERMINSTER DY10 3LU
REFUSED for the following reasons: <ol style="list-style-type: none">1. The site is located within the West Midlands Green Belt. The development is considered to be inappropriate within the Green Belt which is by definition harmful. There is further harm caused to the openness and appearance of the Green Belt. It is considered that there are no very special circumstances to justify this inappropriate development and as such the proposal is contrary to Policy GB.1 of the Adopted Wyre Forest District Local Plan, Policies D.12 and D.39 of the Worcestershire County Structure Plan and government guidance within PPG2.2. It is considered that the site is prominently located as it lies immediately adjacent to Stakenbridge Lane and Definitive Public Footpath No. 510 and opposite Footpath Bridleway No. 502. By virtue of its siting and appearance it is considered that the development significantly detracts from and harms the character of the countryside at this rural location and the visual amenity of this part of the Green Belt contrary to Policies GB.6, LA.1, LA6, D.3, D.5 and D.1 of the Adopted Wyre Forest District Local Plan, Policies SD.2 and CTC.1 of the Worcestershire County Structure Plan, the aims of Policies QE1 and QE6 of RSS and the guidance of PPS7.3. The location of the residential accommodation fails to accord with:<ol style="list-style-type: none">a. Housing policies H.2 or H.9 of the Adopted Wyre Forest District Local Plan;b. Gypsy Site Provision Policy H.15 parts (f) and (g) of the Adopted Wyre Forest District Local Plan or part (iii) of Policy D.18 of the Worcestershire County Structure Plan; orc. Residential Caravans and Mobile Homes Policy H.16 of the Adopted Wyre Forest District Local Plan and Policy D.17 of the Worcestershire County Structure Plan. <p>The above policies seek to guide residential development to appropriate locations. To approve the development at the location proposed would retain a solitary development which lies outside a settlement boundary and goes against planning policy which seeks to protect the green belt and open countryside.</p>

Councillor M J Hart left the meeting at 7.05 p.m. following consideration of the application above.
